

SINCE 1974

DELMADE

PROVEN BY TIME • REFINED BY EXPERIENCE

ORCHARD HILLER

Proudly Australian Made

The DELMADE Orchard Hiller is a versatile machine designed to minimise the time taken to effectively mound a tree line prior to planting.

A multipurpose machine the Hiller can be used in virgin country to form the initial tree line mound. It can then be used to maintain the mound after planting.

- Save time with less passes to achieve result
- Eliminate breakdowns with long life oil bath bearings
- Save money on spare parts with quality disc plates
